ABOUT—US

01.

© 2026 HIET. All Rights Reserved.

HIET entered to manufacturing of cosmetics sector with the production of wet wipes in 2016

Our company, which aims to grow by adding value to its sector progresses depending on the honesty and human value policy in this direction. We continued to grow and started to produce Air Fresheners with new investment in 2019. We continued production and earnings policy without compromising quality throughout the commercial life, gained the trust of our customers in this sector as well

and the growth continued without slowing down. This growth was continued till we finished our license from EDA (**Egyptian Drug Administration**) in 2023 which ensure that our facility is working under criteria of GMP We finished registration of all our products at EDA and also at some countries international drug administration's We continue to grow by adding value to our sector and country by exporting our products from our modern facility to many international markets without making any concessions from our quality and values.
